CTCI Membership News

CTCI Classic Thunderbird Club International Membership

It's called the **Classic Thunderbird Club International**, and you will find members throughout the United States and all over the world.

Why a Thunderbird Club?

Classic Thunderbird Club International (CTCI) was formed to band together owners and admirers of the 1955-57 Ford Thunderbird — to serve as a medium of exchange of ideas, technical information, and sources for parts. Lasting friendships have been formed through local chapters, Regional Conventions and International Conventions. Moreover, CTCI is recognized and sanctioned by the Ford Motor Company, which extends cooperation and support.

What Membership Means

Whether your Classic Thunderbird serves as everyday transportation, a relaxing hobby or both, you will find valuable help in your restoration and maintenance problems in the **TECH TIPS** printed in the club publication, the **EarlyBird**. This informative, illustrated periodical is distributed every two months and contains a variety of interesting features. Articles about historical data, members and their cars, news of chapter events and activities, are all profusely illustrated with photos. In addition, the **EarlyBird** offers an advertising service to those wishing to buy, sell, or swap parts or cars. You can review the contents of the current issue on our web site: www.ctci.org.

Tours, meets, road rallies, picnics and other outings designed to encourage group participation are regularly conducted by the various chapter groups. Check our web site www.ctci.org for a chapter near you. You are cordially invited to attend any of these friendly chapter meetings or events. CTCI members may also participate in Concours d'Elegance competition at CTCI conventions.

Standard or Premium Packet

Every new member receives a Standard New Member Packet upon payment of the initiation fee and dues. This includes a striking windshield decal, the latest edition of the **EarlyBird**, a membership roster with our club By-Laws, 3"x5" CTCI logo dash plaque and other general information. The optional Premium Packet includes the above plus a beautiful metal CTCI grille emblem. Many items such as service and transmission manuals, decals, handbooks and numerous self help items are available and sold to CTCI members only. See our Member Store at www.ctci.org.

OUR OBJECTIVE:
EVERY CLASSIC T-BIRD OWNER IS A CTCI MEMBER

CTCI Classic Thunderbird Club

International Membership

I encourage all New Club Members to join CTCI as soon as possible and Current Members to keep your CTCI membership up to date.

Felipe Cos founded our CTCI Chapter, #114 for South Florida in November 1998. Since then our club has hosted a CTCI International Convention in 2004 and grown to include 50 member families.

Look at the benefits of membership. For myself, I have saved a lot of time and money by visiting Gil's Garage, hosted by Gil Baumgartner CTCI Authenticity Chairman and 'Thunderbird Guru' and the Early Bird Club magazine is full of great articles and Club stories!

I have included the current CTCI membership application, which is available www.ctci.org in an editable .pdf format.

Online Renew for 1 year 2018 for \$37.50 or signup for 3 years at \$105.00 (35.00 a year)

editor's CORNER FEB. 2018

Hi Thunderbird Club Members,

A lot is happening in The Classic Car world right now. Mecum/ Kissimmee and Barrett-Jackson / Scottsdale are in the record books, and how!. Paul Werner held his first Board of Directors meeting this month. The meeting Minutes can be found inside. I included a story about the Redland Riot Rally. This was our second year going and had great fun teaming up with Paul and Anita to go. The "Outing" ended with a Club Party at Oscar & Marcia's new home near the Schnebly Winery. Lots of fun!

Our Club's annual Car show will be features in NEXT month's edition as it is too late to get it in before the printing deadline.

I am sure we will have a successful event. The weather looks promising with warm temps for a change!

We have been approached by the ITC International Thunderbird Club, namely "Bart" Bartasavich, the Clubs' President and Member Database Mgr. to become a chapter in the South-East District. They have over 4300 total members in the US as well as Canada, Denmark, Germany, New Zealand, Norway, Spain & Puerto Rico. Some of us already have ITC Memberships.

24 years old, the ITC Club supports Thunderbirds from ALL YEARS of manufacture, not just the "Early Birds", which some of our members will find appealing. They have a team of technical advisors specializing in all the years including Marvin Hill on the 55-57 cars. A presentation will be made to the members attending at the February General meeting. In the meantime, they can be looked up on the Web at

www.intl-thunderbirdclub.com or on Facebook

itc (international thunderbird club) this page is updated hourly!

See you at the Club Show!

I surely appreciate the articles that are being contributed to our Thunderbird News by our members. Please keep them coming! Thanks to you all for contributing to this month's edition.

Recently we had some issues solved and a tune-up performed by Paul at Prime Tune. Our Baby Bird never ran so smoothly!

Special Thanks to Paul & Kathy!

Please remember to support our advertising partners and don't forget to tell them you saw it in The Thunderbird News!

*You're Not Old
 You're a Classic*

HAPPY BIRTHDAY

My apologies, If I have missed your birthday it is because I do not have your information. Please contact me to update your records.

Anita and I had a great time yesterday. We rode around the Redlands area in our car with Ed and Arlene, looking for obscure items in interesting locations. It was the Redlands Rally, and we along, with several other club members had a lot of fun. The stops included fruit stands, a museum, a historic hotel, a winery/brewery, unique shops, and my favorite, an orchid farm. While none of our members won any prizes, we were all rewarded with a great dinner at Oscar's new home. Thank you, Big O!

By the time you read this, we will have had our car show. I am sure

it will be a lot of fun, and very successful.

Earlier, you board of directors meet. Issues were discussed, and plans were made. The minutes of this meeting are elsewhere in this newsletter, and will be reviewed at the next meeting.

Speaking of the next meeting, it will be on Wednesday, February 21st. We have some issues to discuss, as well as planning for the breakfast at Ellie's 50's Diner, the car auction, as well as our plan for the rest of the year.

For a while, some members have asked about a breakfast event, where we could meet with our cars. We will be meeting on, Saturday, March 10th at Ellie's 50's Diner in Delray Beach. Even though it is a bit of a drive, it will be a nice opportunity to exercise your cars. The club will pay for each member's breakfast; a member benefit. Both the food and the ambiance are terrific there. Please RSVP to, drpaul4kids@ gmail.com . Let me know many will attend, if you will be bringing your car, and if there will be any self-paying guests.

The R/M | Sotheby's Auction, April 6-7th. We will need volunteers for unloading on APRIL 4th and 5th, as well as during the actual auction on 6th and 7th. It is great opportunity to see and drive a wide mix of interesting cars. This is a big money maker for us our club, which helps makes some events free to club members, and reduces the cost of others. So, when the call comes shortly, please step up and get involved.

We are beginning to organize the Sunday brunch, as well as our annual rally, and perhaps another interesting trip. Watch for these on our website, www.tbirdfl.com , and our Facebook page, as well as in emails and this newsletter.

If you have not done so, please pay your 2018 dues,

Paul Werner

President - 2018
Classic Thunderbird Club
of South Florida

To all members

Remember that this newsletter goes to press the 15th of each month. Please remember the date!. If you want your article to appear, I need it by the 15th!

We welcome any contributions that members can make to our newsletter! This year We want to feature stories about YOUR 1955 Thunderbird.

Do you have any interesting photos of your car? Send it to me!. Do you have any interesting story about your car? Send them to me!

REDLAND RIOT RALLYE

ED RAABE

On Saturday a few of our Club Members got together to participate in The Annual Redland Riot, a Rallye where you just look for the clues to the answers on the Rally program, 100% correct answers winning. When you register, it's fun to create a team name, as many did Arlene and I registered as "Bo's Demos", but since we accepted Paul and Anita's invitation to join them we went under the Werner Team banner. Stuart and Gail joined Richard & Gina as "Team Clueless". Oscar and Marcia, Jose and Haydee, Elvis and Marcia, Jose and Meida all drove their Classics! Rich & Mareylis drove their Retrobird! Anita and Bo were relentless in searching for the clues. There was about 3 at each of 13 the stops. Robert Burr has been running the Rallye in it's current format for 12 years and welcomed us at the sign-in table. Not surprising the 1st stop is at Burr's Berry Farm where you can get great fruits, veggies, and healthy shakes!

There were 88 Car Teams and 244 people participating. 11 teams tied for 1st place. After 2 rounds of "sudden death" tie breaker questions, Ruth Silvas' Crew finally won out! Robert Burr on the extreme right, below with Ruth's Crew in the cool Hawaiian Shirt!

Following the Rallye Route we stopped at The Stained-Glass Gallery at Cauley Square, Burr's Berry Farm, Redland Ranch, Phil's Berry Farm, Knaus Berry Farm, The Fruit & Spice Park, RF Orchids, Curbside Market & Milkshakes, The Hotel Redland, The Pioneer Museum, Robert Is Here Fruit Stand, and ended up at Schnebly's Winery and Miami Brewing Company, all taking about 7 hours to complete.

Our Last stop was at Oscar and Marcia's New home in the Redlands. More like a Country Estate! In all the excitement I let my phone battery die and could not get any pictures except as we were setting up, one here, of Peter excited get the party started. It was a perfect evening, with great food and a lot of fun with our member families!

New President, Paul Werner in the hammoc at RF Orchids. Obviously he has not yet succumbed to the pressure of his new office!!

CLASSIC THUNDERBIRD CLUB OF SOUTH FLORIDA

Executive Board Meeting . January 17, 2018

Recorded by Gail Corenblum, Secretary

MINUTES OF MEETING

BOARD MEMBERS PRESENT:

Paul Werner, Oscar Castro, Ed Raabe, Stuart Corenblum, Gail Corenblum, Daniel Romagnoli, Leo Saladino, Peter Klein

CALL TO ORDER President Paul Werner called the meeting to order at 7:20. He began by discussing how to organize the board meetings. It was decided that the structure for the executive board will be loose, and if meetings are necessary, we will try to meet by conference call.

OLD BUSINESS: REDLANDS RIOT ROAD RALLYE: Oscar encouraged us to pre-register our vehicles as there is usually a delay at the registration table onsite. Dinner will be at Oscar and Marcia's home and is a free, Member Benefit event to all paid up club members.

CAR SHOW JANUARY 28:

Oscar said that everything is going smoothly. He has registered the event with the park with attendance capped at 350 so as not to incur the need for a second police officer. We also receive funds from the food vendor. We were told that Elvis is not charging and is donating his time. Oscar also told us that Elvis had made 4 trips to Sebring to check and clock the rally. Paul made a motion (2nd by Oscar) to buy a \$200 gift card for Elvis as a "thank you". Oscar will get the card.

Oscar has bags to give away as "Goodie Bags" but it is difficult to secure fillers for the bags.

Ed mentioned that he attended the Sunshine Corvettes show at Ed Morse and would like us to give show commemorative tee shirts. Stuart moved we spend \$1200 for 200 shirts and Ed seconded the motion. It was decided that the tee shirts would be generic (no year) so that they could be used again.

Oscar enumerated the total costs of the car show (without the tee shirts) which includes the police officer \$253, the toilet rental \$325, trophies \$504, snacks \$50, the park permit \$780 and the Facebook ad \$30. The break-even is \$1943.55.

AUCTION:

The show is one day shorter this year, as Eastern Orthodox Easter Sunday is that weekend.

Unloading cars will be April 4 and 5, and RM/Sotheby's has requested 10 drivers each day.

We need to oversupply drivers. The request for Friday and Saturday has been at 35 per day.

Discussion followed as to the Mercury and Studebaker club supplying drivers. The Mercury Club members are paid, and the money is not kept by the club. They are reliable and have numbers. We need to encourage our membership to supply more drivers.

CHARITY:

Peter mentioned that we have neglected to make our annual donation to McPherson College in Kansas <https://www.mcpherson.edu/>

The college is the only school that has a bachelor's degree program in Automotive Restoration. Check it out: <https://www.mcpherson.edu/autorestitution/>

Oscar made a motion (Stuart 2nd) to send the College \$2,000 now as our club donation. Additionally, the College will receive the proceeds of each year's 50/50 take from the car show.

ELLIE'S DINER EVENT:

March 10 at 9 am. 2410 N Federal Hwy, Delray Beach, FL 33483

The Club will pay for breakfast for all paid members in attendance. Paul will send out information.

MEAN SANTA GIFTS:

The dilemma of less thoughtful and disappointing gifts was discussed. There are club members who had spent well over the suggested \$25 per gift, sometimes double that amount, and in return, received very inexpensive gifts. It was decided to continue the "Mean Santa" but to reduce the gift amount to under \$10. Gag gifts will be acceptable, and gifts should be more creative. We all agreed that it is a fun event and we would like to be able to continue it.

NEWSLETTER:

Ed has reduced the size of the newsletter from 20 to 16 pages so as not to run at a deficit. 2017 was one issue short due to Hurricane Irma. Last year a motion was passed that the club would take up any deficit up to \$1,000. Ed is short on commitments for sponsors this year but is working on that.

BRUNCH:

Everyone agreed that the place and the quality of the brunch at Miami Shores Country Club is excellent. The only change we'd like going forward is to secure a private room.

NEW BUSINESS:

ITC – INTERNATIONAL THUNDERBIRD CLUB:

Paul had communication from the ITC. Our club is a chapter of CTCL, Classic Thunderbird Club, International. <https://www.ctci.org/> CTCL is strictly for 1955, 1956 and 1957 “classic” birds.

ITC <http://www.intl-thunderbirdclub.com/> is inclusive to ALL Thunderbirds, 1955 through 2005. They have over 4,300 members and are looking to increase the number of chapters. In order for a chapter to join, the chapter would need to have a minimum of 6 paid members. Ed is a member, as are others in our club. They do publish a magazine, Script, and Ed will bring a copy to the next general meeting in February, along with their “welcome packet” and will tell us more about the club so we can vote on joining.

RESIGNATION OF FELIX AND DAISY HERNANDEZ:

As Felix and Daisy were charter members of our club and had contributed so actively and greatly to our success, Peter mad a motion to make them “Lifetime Members Emeritus”. It was unanimously approved. Peter will make a certificate to send them and we hope that they will continue to attend our events as they are able

CARS FOR THE CURE SHOW:

This show will be at Tropical Park on March 25. Paul will send an email to everyone with information and will take RSVP's so that he can arrange for us to park as a block.

MEMBER REQUEST FOR A MEMBERSHIP LIST:

For privacy reasons, the club has not previously provided members with a complete membership contact list. Individuals have asked for member information. We decided not to distribute email addresses for reasons of privacy. Oscar can put a list of members and phone numbers together. (ALL – I don't think we took a vote on this??)

EMAILS:

Paul asked that we keep every email with one subject per subject line. Too often, too much information is included in an email and unfortunately, information gets lost by the end!

FILES AVAILABILITY:

Gail suggested that every year or two all files that may be edited and reused be saved to a memory device so that they are available within the club for following years.

ADJOURNMENT:

Peter motioned, and Stuart seconded adjournment at 9 pm.

40 Million Fire Extinguishers Recalled

Please check yours ASAP!

Just recently a recall was announced involving 40 million fire extinguishers manufactured by Kidde. The recall involves 134 models of Kidde fire extinguishers manufactured between January 1, 1973 and August 15, 2017, including models that were previously recalled in March 2009 and February 2015. Be advised that some of the recalled extinguishers were sold under names other than Kidde (i.e. Fuller Brush, Honeywell, Montgomery Ward, Sears and other names).

[Kidde Fire Extinguisher Product Safety Recall Information](#) or kidde.com

Be advised that the link above has the list of recalled extinguishers. It also lets you submit your request for a replacement extinguisher after you provide your name, address, the model extinguisher and serial number. It verifies that your extinguisher is being recalled and submits your request for a replacement.

If you do not want to submit your request online, you can contact Kidde via telephone to find out if a fire extinguisher is included in the recall or to get a replacement.

Contact Kidde at 855-271-0773 between 8:30 a.m. and 5 p.m. EST Monday-Friday (excluding holidays), or between 9 a.m. and 3 p.m. during the weekend to determine whether your extinguishers are affected.

Given how many AACA members have fire extinguishers for their vehicles, we have no doubt that some AACA members have extinguishers that are being recalled. Please take action on this situation immediately and be sure to share this information with all of your region and chapter members as soon as possible.

The above is reprinted from the AACA Region & Chapter E-Newsletter November 2017 - Volume 2
