ITC The International Thunderbird Club

The International Thunderbird Club (ITC) is open to all 1955 to 2005 Thunderbird owners and enthusiasts along with other T-Bird club organizations. Numerous ITC members, including me, belong to CTCI and VTCL.

ITC encourages all clubs to join the other clubs to help support the Thunderbird, share ideas, T-Birds, and technical advice. ITC has one of the largest Thunderbird Facebook pages in the world with over 4,400 T-Bird Facebook members posting daily from around the world.

Numerous CTCL and VTCL chapters have joined ITC. Last year the ITC/VTCL chapter, Hoosier Vintage Thunderbird Club, hosted the ITC chapter. This year the convention will be hosted by ITC/CTCL chapter Buffalo Thunderbird Club. ITC/CTCL chapter Pitt Birds Thunderbird Club has stated that they are happy with the support ITC's provides them. ITC/VTCL Water Wonderland Thunderbird Club from Michigan has stated they are also pleased with ITC's support and never have received support from VTCL.

ITC is very proud of the number of clubs that have joined ITC.

Recently three new chapters have joined ITC La Louisiane Thunderbird Club, Louisiana; Classic Thunderbird Club of Central Ohio; and Central Alabama Thunderbird Club with a few more chapters being they have organized.

The benefit of becoming an ITC chapter is the additional exposure to the T-Bird world. Chapters have stated, grown as a result of their ITC relationship. ITC promotes its chapters by listing their major events in the ITC Script magazine and on the ITC website. ITC also promotes chapters events and members on ITC Facebook. ITC has Technical Advisors for all T-Birds, Marvin Hill, Hill Automotive, is one of the technical advisors for the 1955-57 TBird. Steven Legal is Technical Advisor for the 20-05 Retro Birds.

ITC is sponsored by most of the Thunderbird vendors including Thunderbird Specialists for 2002-05 Retro-birds.

There is no charge to become an ITC chapter. Three ITC members are required for approval with a total of six by the end of the year. If you are not satisfied with being an ITC chapter, you can simply request to end the chapter relationship.

As president of the International Thunderbird Club, I encourage some of your members to join ITC and become an ITC chapter.

Feel free to email or call me anytime if you have any questions.

Sincerely,

Gerard (Bart) Bartasavich
ITC President

APRIL-MAY 2020 VOLUME 22, #5

editor's CORNER

ITC South East District Chapter April-May 2020 Volume 22, #5

Greetings Thunderbird Club Members,

This has been a wild ride over the last few weeks! The COVID-19 Pandemic hit us hard in South Florida, causing cancellations of every Major Car Hobby Event in April and through the month of May. As well, we are having a condensed April-May Newsletter. Birthday greetings to everyone born in April & May!

The Club dinner meetings have been cancelled until the Stay at Home Orders are lifted, and we get back to the "New Normal"

Our Club suffered its own economic disaster when the RM-Sotheby's Auction, March the 17th -21st was cancelled in favor of Virtual Auction on-line at the beginning of the outbreak.

We are very appreciative that RM-Sotheby Auctions was able reimburse us for the \$922.00 spent for the house to accommodate the auction volunteers, since the owner would not! As you know the Auction is a big fundraiser for our club, which may cause us to reevaluate the rest of this year's events.

The Annual Club Brunch scheduled for Thunderbird Appreciation Day May 17th will most likely be rescheduled.

CTCI National Convention is RESCHEDULED for April 20th thru the 24th, 2021 The Trailbirds of SW Florida will host as was planned for this year This is a great opportunity to show your Early Bird and enjoy Sarasota.

Congratulations to Jean Hawa for winning the AACA National 2019 Master Editor Award for Sidelights the AACA South Florida Region Club Newsletter and Bob Squier for 2019 Master Webmaster Award. Also, congratulations to Manny and Millie Garcia for their hard work and dedication to make the AACA Winter National Meet in Miami a fabulous success!

Since we have all this time at home, it is a great opportunity to get that long put off job you have been meaning to get to on your Thunderbird other Classic. Please be sure to support our advertisers, now more than ever they need our support. Buy On-Line and deliver right to your door! What could be easier!

Don't forget to mention you saw their Ad in our magazine when purchasing Parts & Services for you Classic.

Hello, All fellow club members

I would like to start my message with what is of most importance to me.

The health and well-being of my family at home, and of my fellow club members.

Mary and I hope you all are healthy and safe at home.

Folks we are living unprecedented times. As you all know, there have been cancellations of social events and family gatherings everywhere, which have affected us all.

We have had to suspend our monthly meetings at Trattoria Pampered Chef, in Miami lakes, the R.M. Sotheby's Auction was cancelled in Palm Beach, unfortunately our club could not attend, which resulted in a loss of revenue for our club in 2020. At least our club was reimbursed for the deposit on the rental of the house, which were for drivers driving multiple days.

One event that I was looking forward to is The Sunday Brunch. It just so happens, that this year it landed on May 17th which is my birthday.

I could never had wished for a better birthday than driving my T Bird with my wife and my daughters, on National Thunderbird Appreciation day and having breakfast with my dear fellow club members. This event is still up in the air, please stay tuned for future notifications.

My wife and I consider ourselves blessed and very fortunate, to still be working. Mari works from home, connecting via Zoom, with her students, and Goodyear is considered "essential", so thankfully we will not be closing. Our youngest, Melissa is taking online classes and will be graduating from U.F. as scheduled. Melanie our oldest, is working from home as well.

Friends, we will be sending out emails about future events and gatherings, as soon as local authorities permit them. Folks, there are good opportunities now since most of us are stuck at home, to finish any home project, spruce up your landscape or gardens, or organize your workshop, or more importantly, finish your "honey Do" list. I've got them all done already.

I wish you all to be safe! Let's enjoy our homes, and our families. Hopefully soon we can continue with our Club's activities, and have some vino and break bread together at our next club meeting.

Be well my friends,

I miss you all.

Newsletter Closing Date

TO ALL MEMBERS: Remember that this newsletter goes to press the 15th of each month. Our monthly News magazine has lots of useful information, including upcoming Car Shows and Cruise-ins, Club contact information and technical articles. From time to time information becomes outdated. If you see an error, please let us know.

Thunderbird News is the official newsletter of the Classic Thunderbird Club of South Florida. Our purpose is to inform our membership about, club meetings, club activities, Classic Car events and articles of interest to Ford Thunderbird owners.

Articles may be reproduced with the permission of the author.

The views and opinions expressed in Thunderbird News are those of the named author and do not necessarily reflect the opinions of the Editor, The Board of Directors of the Classic Thunderbird Club of South Florida or those of the membership.

CTCI Classic Thunderbird Club International Membership

It's called the **Classic Thunderbird Club International**, and you will find members throughout the United States and all over the world.

Why a Thunderbird Club?

Classic Thunderbird Club International (CTCI) was formed to band together owners and admirers of the 1955-57 Ford Thunderbird — to serve as a medium of exchange of ideas, technical information, and sources for parts. Lasting friendships have been formed through local chapters, Regional Conventions and International Conventions. Moreover, CTCI is recognized and sanctioned by the Ford Motor Company, which extends cooperation and support.

CTCI Classic Thunderbird Club International Membership

I encourage all New Club Members to join CTCI as soon as possible and Current Members to keep your CTCI membership up to date.

Felipe Cos founded our CTCI Chapter, #114 for South Florida in November 1998. Since then our club has hosted a CTCI International Convention in 2004 and grown to include 50 member families.

Look at the benefits of membership. For myself, I have saved a lot of time and money by visiting Gil's Garage, hosted by Gil Baumgartner CTCI Authenticity Chairman and 'Thunderbird Guru' and the Early Bird Club magazine is full of great articles and Club stories!

I have included the current CTCI membership application, which is available www.ctci.org in an editable .pdf format.

Online Renew for 1 year 2018 for \$37.50 or sign up for 3 years at \$105.00 (35.00 a year)

What Membership Means

Whether your Classic Thunderbird serves as everyday transportation, a relaxing hobby or both, you will find valuable help in your restoration and maintenance problems in the TECH TIPS printed in the club publication, the **EarlyBird**. This informative, illustrated periodical is distributed every two months and contains a variety of interesting features. Articles about historical data, members and their cars, news of chapter events and activities, are all profusely illustrated with photos. In addition, the **EarlyBird** offers an advertising service to those wishing to buy, sell, or swap parts or cars. You can review the contents of the current issue on our web site: www.ctci.org.

Tours, meets, road rallies, picnics and other outings designed to encourage group participation are regularly conducted by the various chapter groups. Check our web site www.ctci.org for a chapter near you. You are cordially invited to attend any of these friendly chapter meetings or events. CTCI members may also participate in Concours d'Elegance competition at CTCI conventions.

Standard or Premium Packet

Every new member receives a Standard New Member Packet upon payment of the initiation fee and dues. This includes a striking windshield decal, the latest edition of the **EarlyBird**, a membership roster with our club By-Laws, 3"x5" CTCI logo dash plaque and other general information. The optional Premium Packet includes the above plus a beautiful metal CTCI grille emblem. Many items such as service and transmission manuals, decals, handbooks and numerous self help items are available and sold to CTCI members only. See our Member Store at www.ctci.org.

"Wheels Across The Pond"

STATEMENT FROM WHEELS ACROSS THE POND

Following the recommendation of the Florida Governor Ron DeSantis, we have decided to postpone our 14th Annual Wheels Across The Pond show which was scheduled for October 11th, 2020 at Carlin Park, Jupiter. The decision is due to the uncertainty of the current public health situation and to safeguard our attendees, sponsors, volunteers and spectators from the potential spread of COVID-19. We are working closely with Palm Beach County Parks and Recreation Special Events to secure a suitable alternative date and once we have this confirmed we will update you again. We thank you in advance for your understanding.

"We have everything you need...to make your vision come true!"

AACA 2020 Winter National Meet “The Last Car Show”

Amid the gathering cloud of the COVID-19 Pandemic, probably the last great Classic Car event took place in our own hometown, Miami. A little over 2 years ago the AACA South Florida Region Chapter requested to be chosen for The 2020 AACA National Meet Under the very capable administration of Manny and Millie Garcia they worked tirelessly with the Club's members to make it a resounding success!

Preshow festivities included A trip to Dr. Dauer's Museum, dinner & entertainment at Cava Flamenco and at Havana Nights in the Magic City Casino, site of the Event.

Who knew that just a week later the rolling wave of COVID-19 would shut down all but essential businesses and cancel every public event!

Hopefully, now at the end of April we have turned the corner and will be getting back to the “new normal” where everyone will look like they just came out of a spray booth!

I brought my Thunderbird to the meet, for show, not to be judged and had a great time.

Gail and Stuart came over and we toured the show-field together. Among the MANY outstanding Classics on display was CTCSE member Jose Trujillo's Rose-Beige 1964 Thunderbird: Second Junior Award winner!

Frank Rubino's 1950 Healey Silverstone.

Dr Dauer's 1956 Dodge La Femme

Guy Lewis's 1958 Mercedes Benz 300D (The Batista Car).

Congratulations to Bob Mayer on his First Junior award for his 1994 Mustang Cobra!

A curiosity is the 1961 DKW Auto Union 1000SP Roadster, owner Kevin Newman, that looks like a 55 Thunderbird! This car is powered by a 55hp 2 stoke 3-cylinder engine. 1,640 were built, the last year was 1964

I had the pleasure to be next to a couple from Ohio, Bruce Guest and his wife who brought their White 1956 Thunderbird with the optional "E" twin Carb set up. An AACA Senior Car, in Preservation Class, it was spectacular. They trailered it down and were intending to spend some time in South Florida, before heading back home.

Trophies were Awarded at the Closing Banquet.

CLASSES IN DESCENDING ORDER.

- Senior
- First Junior
- Historic Preservation
- First Preservation
- Driver Participation
- Repeat Driver Participation

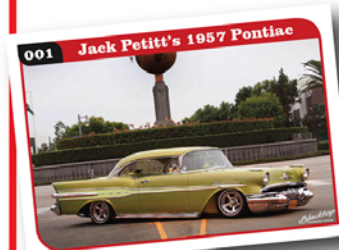

Thanks to Jean Hawa from the AACA South Florida Region for some of the pictures in this story.

It will probably be a while before Car shows resume, in the meantime, stay healthy!
