ITC The International Thunderbird Club

The International Thunderbird Club (ITC) is open to all 1955 to 2005 Thunderbird owners and enthusiasts along with other T-Bird club organizations. Numerous ITC members, including me, belong to CTCI and VTCI.

ITC encourages all clubs to join the other clubs to help support the Thunderbird, share ideas, T-Birds, and technical advice. ITC has one of the largest Thunderbird Facebook pages in the world with over 4,400 T-Bird Facebook members posting daily from around the world.

Numerous CTCI and VTCI chapters have joined ITC. Last year the ITC/VTCI chapter, Hoosier Vintage Thunderbird Club, hosted the ITC chapter. This year the convention will be hosted by ITC/CTCI chapter Buffalo Thunderbird Club. ITC/CTCI chapter Pitt Birds Thunderbird Club has stated that they are happy with the support ITC's provides them. ITC/VTCI Water Wonderland Thunderbird Club from Michigan has stated they are also pleased with ITC's support and never have received support from VTCI.

ITC is very proud of the number of clubs that have joined ITC.

Recently three new chapters have joined ITC La Louisiana Thunderbird Club, Louisiana; Classic Thunderbird Club of Central Ohio; and Central Alabama Thunderbird Club with a few more chapters being they have organized.

The benefit of becoming an ITC chapter is the additional exposure to the T-Bird world. Chapters have stated, grown as a result of their ITC relationship. ITC promotes its chapters by listing their major events in the ITC Script magazine and on the ITC website. ITC also promotes chapters events and members on ITC Facebook. ITC has Technical Advisors for all T-Birds, Marvin Hill, Hill Automotive, is one of the technical advisors for the 1955-57 T-Bird. Steven Legal is Technical Advisor for the 20-05 Retro Birds.

ITC is sponsored by most of the Thunderbird vendors including Thunderbird Specialists for 2002-05 Retro-birds.

There is no charge to become an ITC chapter. Three ITC members are required for approval with a total of six by the end of the year. If you are not satisfied with being an ITC chapter, you can simply request to end the chapter relationship.

As president of the International Thunderbird Club, I encourage some of your members to join ITC and become an ITC chapter. Feel free to email or call me anytime if you have any questions.

Sincerely,

Gerard (Bart) Bartasavich

We encourage participation on our Facebook page. Post interesting Thunderbird related news items, jokes, interesting facts, technical items...and we enjoy other "car stuff" too. Even Chevy stuff too! Museum Visits, Car shows and Cruise-ins you attend. And other stuff you think we T-Bird lovers would like. Just keep it as clean as your T-Bird on "Detail Day"!

We are a social group of dedicated individuals with interest in ownership and enjoyment of Ford Thunderbird cars and of all Antique Automobiles. We meet each month for dinner, car shows and activities with our membership from West Palm Beach to the Florida Keys. Our club is family oriented in its activities and sponsors a scholarship fund for **McPherson College** (The only accredited university in the United States with a major in Automobile Restoration). Our aim is to bring together owners and non-owners of the Thunderbird in a social activity to encourage and promote the admiration, care and maintenance of the "Classic Thunderbirds" ;and Antique Cars in general. We hope to provide an outlet for people to discover the uniqueness of the features and styling of the Ford Thunderbirds and exchange knowledge with each other about them and other Antique Automobiles.

Belonging...

This Issue is dedicated to the Members. Thank you for being a friend, a comrade, a fellow Classic Thunderbird Owner, Enthusiast, Classic Car Lover!

We present in this issue the wonderful response that we received to cover our pages with cars we own and keep in our hearts, no matter how much or what they leak - hey! It's a Classic, not "an old car". Haven't I heard that a million times!

We asked, and you delivered with your pride possession...Thank you! But the meaning of this response is more than just a 'cool car', it is that we are sharing, and proudly so, with a group or like-minded individuals to adorn our proud Thunderbird Newsletter.

Belonging in a community of like minds is a human need and why not share our need to own a work of art and design ingenuity that makes all proud and mostly..."Hey! Nice car. My so 'n so had one of those when I was just a kid...are you selling it?"

Thanks, to ALL the Advertisers who support *Thunderbird News!*

Greetings and salutations fellow club members,

I hope you and your families are all doing well and staying safe. Friends, back in May 16th, we had our Annual Sunday Brunch. As you all know it was held at Rio Minas Steakhouse in Ft. Lauderdale. We had a great turnout of club members attending. We were greeted with Mimosas, and we had the opportunity to mingle amongst friends outside as the tables were getting ready. It was a great success, the food was great, and the service was outstanding. The restaurant was a little smaller in comparison to what we were used to at the Miami Shores Country Club, but we couldn't ask for more. We were even served nonstop beef at every table by the owners themselves. I will definitely visit them again.

This year's 4th of July was a very relaxing one for me. Our club was invited by the Classic Mustang Club of South Fla. to attend a 4th of July Car Show at a neighborhood in s.w. Miami called Winston Park. Although only a few of our club members showed up, me, Oscar, and Marcia, had a very relaxing time under the Oak trees in the shade, listening to good classic oldies music. At the end of the show, the best of show was won by Bob Mayer, who took a 59 Ford Skyliner Hard Top convertible. It was a very nice car.

We left the show and headed to "El Rancho Grande", for a 4th of July picnic hosted by none other than Oscar and Marcia Castro. The food was great, the hospitality was better than that of The Ritz Carlton. Thank you, Oscar and Marcia.

Thanks to Gail's perseverance, and always having the best interest of our club in mind, she ingeniously convinced two prominent Miami car collectors, Mr. Frank Rubino, and Mr. Guy Lewis, to allow our club to visit their collections. Here is the caveat, a total of just 50 people are allowed to attend this event. Our fearless and esteemed Event Coordinator Mr. Oscar Castro will soon be sending out an email with details on this event. **ONLY THE FIRST**

50 PEOPLE !!!!, responding to his email, will be allowed to attend. Please let it be known that these collections are at these two gentlemen's private residences. These are not warehouses, nor commercial buildings. That being said, the utmost respect must, and shall be given while on their property at all times. The date of this event is Sunday, Aug 22. Please be on the lookout for a more detailed email soon coming your way!!

Also, thanks to Gail Corenblum again, our club has another event. We are on the calendar to visit The Dauer Classic Car Museum in Ft. Lauderdale on Sunday, Sept. 19th, at 2pm. We can possibly have lunch before or a dinner after the event, which will need further planning.

On a personal note, our eldest daughter and future son in law, Melanie and Chris' home remodeling project is almost done. The new floors are done, the bathrooms are done, and their new kitchen is being finished as I compose this message. My wife and I are very proud of them.

Our youngest daughter Melissa, with the same passion for driving cross country as her dad, just got home this week from a 15 hour drive each way to New Orleans La. She went to "Explore New Orleans ", as she said, with some old college friends. She had a good time. My own home improvements are under way this summer. My new front door was ordered, should be arriving in about 8 weeks, and I'm 70 percent done painting my house on the outside. It's not easy in 95-degree weather we've been hav-

ing. Lastly, my wife's "honey do" list just seems to be getting longer and longer, as I scratch off things, I've done already for her. Regardless, I know how to follow orders very well. You know what they say: Happy Wife, Happy Life!!!

Well after 30 years together, I've come to the conclusion, I'm the happy one, she's awesome!!

I will now end my Presidential Message with a humbling message to all our club members. Folks, in the fast paced life, most of us lead, specially myself, we sometimes take some people unwillingly, or unknowingly for granted. Between long hours at work, household chores, home projects, groceries, doing favors for people in our lives, & organizing finances, paying bills, and other miscellaneous responsibilities, we as human beings lose grasp of reality and lose track of time. I'm going to quote a phrase that I heard on a movie called "Ferris Bueller's Day Off" and it goes as follows: "Life moves pretty fast. If you don't stop and look around once in a while, you could miss it". So that being said, I want to sincerely thank God for the health and wellbeing of my family, considering all that is going on in this world today, we all see the news, we are living different times my friends. That is why every time I come home from work, I go to my daughters, and my wife, and say I love them and give them hugs, sometimes two or three times a night. They look at me funny, but they know I'm a mushy kind of dad and husband. When people like Oscar and Marcia, Elvis and Marcia [His wife, not Oscar's], Gail and Stuart, and Ricardo Lara our Editor, do things that take time away from their family's time, and time again, to do things for our club, for our enjoyment; folks, those are people that we all should appreciate, never take for granted, and be lucky for us to be able to call them - friends.

Thank you all and be well my friends,

Richard Manso

DEAR OSCAR:

Sweating like a Polar Bear in the Desert.

DEAR OSCAR: *The Old Geezer is at it again!*

Finally, the Old Thunderlopy is moving forward, literally (even if not faster than 30 mph on I-95), thanks to you for letting him know to put the shifter into 'D'. In this *SSH* (Super Summer Heat), he insists on taking Thunderlopy for groceries, car shows, Cruise-Ins, even a one-day *Rally in Homestead!* Are you kidding me, a whole day in that sweat machine?

The SSH is unbearable! Every part of My Well Kept Toned Body sweats while I in that old clunker; to the point that I look like *Tammy Faye Bakker* on a tragic day.

What can be done to cool the Thunder down?

OSCAR CASTRO

Sincerely sweating,

Hot Wife.

DEAR *Hot Wife.*

Please send me your address and your husband's work schedule.
