Remember that this Bi-Monthly Newsletter goes to press the 15th of February, April, June, August, October, and December. Our News magazine has lots of useful information, including upcoming Car Shows and Cruise-ins, Club contact information and technical articles. From time to time information becomes outdated. If you see an error, please let us know

Our purpose is to inform our membership about, club meetings, club activities, Classic Car events and articles of interest to Ford Thunderbird owners. Articles may be reproduced with the permission of the author. The views and opinions expressed in Thunderbird News are those of the named author and do not necessarily reflect the opinions of the Editor, The Board of Directors of the Classic Thunderbird Club of South Florida or those of the membership.

## Editor's Message

Greetings Classic Thunderbird Club Members!

As 2022 comes to an end, I want to thank Oscar and everyone who contributed to Thunderbird News, our club's newsletter, making it a great newsletter in 2022! A lot of hard work and volunteered time goes into each publication. WOW, this issue is 52 pages! I am honored to be the newsletter Editor.

Now that we produce a bi-monthly digital-interactive newsletter it gives us the opportunity to include ALL the great pictures from our events that our members provide. From the prior issue which contained all the pictures taken at "Lake Mirror" and from this issued with all the Holiday Party photos, you really get the feel of the fantastic times we have at our events! It also gives us the ability to offer more in depth-stories about Automotive related topics, things Thunderbird and otherwise, which you will be seeing in the coming 2023 issues.

Arlene and I always look forward to joining all of you each month at the Club Meetings and will continue to do so. We also look forward to the Events such as the Open Car show the Club sponsors and our participation at the RM Sotheby's Auction in the Spring. Sadly, we have just learned that RM has cancelled the Ft Lauderdale Auction this year, which means that we will not have the advantage of that income, but I am sure the club will survive. We still can still enjoy our annual Club Brunch on Thunderbird Appreciation Day, a picnic to celebrate Independence Day, attend the Lake Mirror Concours d Elegance and the Holiday Party, maybe even a Tour in 2023. There is the CTCI Region convention in October at the Villages.... It just might take a little more co-contribution and help in planning from our members.

So, let's ring in the New Year with our new President, Jeff Luxenberg who is an avid sports-car enthusiast and 2002 Thunderbird owner and thank out-going President Rick Manso for guiding us through the COVID years with style, grace, and most of all dedication. We owe him a lot for stepping up and volunteering the extra time for his term. To our dear Oscar, we can never say too much, how we appreciate your dedication and hard work in making our club membership meaningful and fun, despite whatever is going on in your personal life, stuff that would make anyone else "throw in the towel" and give it up. You are an inspiration, thank you!

Don't forget to support the advertisers that support us!

Happy New Year and  
Happy Birding,

*Ed Raabe*

**ABOUT THE CLUB**

We are a social group of dedicated individuals with interest in ownership and enjoyment of Ford Thunderbird cars and of all Antique Automobiles. We meet each month for dinner, car shows and activities with our membership from West Palm Beach to the Florida Keys. Our club is family oriented in its activities and sponsors a scholarship fund for [McPherson College](#) (The only accredited university in the United States with a major in Automobile Restoration). Our aim is to bring together owners and non-owners of the Thunderbird in a social activity to encourage and promote the admiration, care and maintenance of the "Classic Thunderbirds"; and Antique Cars in general. We hope to provide an outlet for people to discover the uniqueness of the features and styling of the Ford Thunderbirds and exchange knowledge with each other about them and other Antique Automobiles.

## CTCI

We encourage New Club Members to join CTCI ([www.ctci.org](http://www.ctci.org)) as soon as possible and Current Members, to keep your CTCI membership up to date.

Felipe Cos founded our CTCI Chapter, #114 for South Florida in November 1998. Since then our club has hosted a CTCI International Convention in 2004 and grown to include over 50-member families.

Look at the benefits of membership. A lot of members have saved a lot of time and money by visiting Gil's Garage, hosted by Gil Baumgartner CTCI Authenticity Chairman and 'Thunderbird Guru'. The Early Bird Club magazine is full of great articles and Club stories!

## MEMBERSHIP

Membership in CTCI is composed of people from all walks of life who are interested in the design and artistic merits of the Classic 1955, 1956 and 1957 Ford Thunderbird. Unlike ordinary pieces of art, automobiles are also functional and ownership can bring personal satisfaction over a broad spectrum of experiences.

Whether you purchased the car to restore, show or just to drive, the camaraderie of association with other people with the same interests is a great experience. CTCI can assist our members derive greater satisfaction from the cars within their particular area of interest.

Ford called the T-Bird "The personal" car and it really is, because there are many ways to enjoy it aside from just looking at it. Very careful and critical "looking at it" is called a "Concours" (car show) and some of our members enjoy that part of it. Others enjoy the "restoration" process, making a beautiful car out of a derelict. Still others enjoy operating and maintaining the car so that they can safely use the car on tours and other social outings. Some of our members are interested in "Resto-rods". This is a car that looks completely "Stock" on the outside but has a completely modern drive train installed.

To others, they enjoy the look and feel of a truly unique car of the 50's. CTCI is an organization that has grown because of the interest in the cars—and the friendships that develop keep bringing our members together. Whatever your personal interest in Thunderbirds is, CTCI is here to help you realize that goal. Click [MEMBERSHIP](#) to Become a Member Today!

## ITC The International Thunderbird Club

The Classic Thunderbird Club of South Florida is a Chapter Member of the Classic Thunderbird Club International (CTCI) and of the International Thunderbird Club (ITC).

We are proud to be associated with these two fine organizations! Between them, they provide a vast selection of resources to help you with your early birds and all the ones after!

Plan to attend one of their Annual Conventions!

New Members, please join these Great Clubs!

The International Thunderbird Club (ITC) is open to all 1955 to 2005 Thunderbird owners and enthusiasts along with other T-Bird club organizations. Numerous ITC members, including me, belong to CTCI and VTCI.

ITC encourages all clubs to join the other clubs to help support the Thunderbird, share ideas, T-Birds, and technical advice. ITC has one of the largest Thunderbird Facebook pages in the world with over 4,400 T-Bird Facebook members posting daily from around the world.

Numerous CTCI and VTCI chapters have joined ITC. Last year the ITC/VTCI chapter, Hoosier Vintage Thunderbird Club, hosted the ITC chapter. This year the convention will be hosted by ITC/CTCI chapter Buffalo Thunderbird Club. ITC/CTCI chapter Pitt Birds Thunderbird Club has stated that they are happy with the support ITC's provides them. ITC/VTCI Water Wonderland Thunderbird Club from Michigan has stated they are also pleased with ITC's support and never have received support from VTCI.

ITC is very proud of the number of clubs that have joined ITC. Recently three new chapters have joined ITC La Louisiane Thunderbird Club, Louisiana; Classic Thunderbird Club of Central Ohio; and Central Alabama Thunderbird Club with a few more chapters being they have organized.

The benefit of becoming an ITC chapter is the additional exposure to the T-Bird world. Chapters have stated, grown as a result of their ITC relationship. ITC promotes its chapters by listing their major events in the ITC Script magazine and on the ITC website. ITC also promotes chapters events and members on ITC Facebook. ITC has Technical Advisors for all T-Birds, Marvin Hill, Hill Automotive, is one of the technical advisors for the 1955-57 T-Bird. Steven Legal is Technical Advisor for the 20-05 Retro Birds.

ITC is sponsored by most of the Thunderbird vendors including Thunderbird Specialists for 2002-05 Retro-birds.

There is no charge to become an ITC chapter. Three ITC members are required for approval with a total of six by the end of the year. If you are not satisfied with being an ITC chapter, you can simply request to end the chapter relationship.

As president of the International Thunderbird Club, I encourage some of your members to join ITC and become an ITC chapter. Feel free to email or call me anytime if you have any questions.

# President's Message

## September - October 2022

Hello and Salutations Fellow Club Members,

First and foremost, I want to let all my fellow club members know, that it was great to have had the privilege to serve as your Club President for three terms. During my role as President, we have experienced many, many good times, many fun times, and difficult times such as dealing with Covid, and the extreme restrictions. Some of us have had some health obstacles which thankfully they have overcome. We unfortunately lost a very dear friend of ours, Mr. Norm Gabe. He was an amazing person, and friend with his vast knowledge of classic cars, always available to answer any questions. This was the first time I have ever been voted into a very important role, besides being voted my wife's husband, 27 years ago.

Folks, I would like to thank some very special people. These individuals, year after year, event after event, are what helped make this the best Classic Thunderbird Club anywhere. Gail and Stuart Corenblum, well, what can be said about this amazing husband and wife team that has not been said already. Friends, they are at the crack of dawn, at our club events and car shows putting up banners, manning the flow of traffic, selling 50/50 raffle tickets, I mean the list goes on and on. Gail for many years took care and handled the R.M. auctions and Stuart getting the old cars running onto the auction block, this was also the largest income producing activity for our club. She is the club Secretary, and handles the donations and relationship with the McPherson College for Auto restoration as well. Let us not forget The 4th of July Picnic last year where they set up and Chef Stuart cooked up a storm. Bob and Natalie Henslekrantz worked so intense as well at this event. Bob also was a Chef for the day cooking up a storm as well. Bob brought so much equipment and coolers and grills, and tables and warmers that made it look as if this event was catered by The Ritz -Carlton Resort. Gina Crochet, thank you for always assisting with events and setting up the 4th of July also. Paul and Anita Werner, always working hard as well wherever they are needed. I remember Paul and Anita were at the Homestead Race Track at our last Car Show. It was 35 degrees and Paul was with Stuart manning the gates, and Anita was selling 50/50 raffle tickets. Thank you both very much. Friends, Mr. Ed {not the horse}, Raabe, is the person responsible for producing an award winning Thunderbird Newsletter, which also is an income generating tool we have with the sponsors that buy advertising space. Ed besides running a successful business with his wife Arlene still makes the time to handle our Newsletter. He is also at club events, whenever possible to help out. We should REALLY, appreciate him considering he has a few hours drive from the west coast of Florida. Thank you my friend, for what you do. My fellow club members, Mr. Elvis Padron, also known as D.J. Elvis, is the great person who brings our events and activities to life. Without his amazing skills, and knowledge, and generosity, our events would be like going to the movies and falling asleep. Folks, he never charges our club for his services, and yet he provides us with top notch entertainment, videos,

clips and footage from our past events and the list goes on and on. Elvis I thank you for our friendship, and for all that you have done for our club. You are truly an amazing person I would sincerely like to thank his great wife, Marcia Padron, she is also always with him, helping him. I sincerely thank all the great people not mentioned, for all your help in the past events.

Fellow club members, here is the "Piece de Resistance ", Mr. Oscar Castro and amazing wife Marcia Castro. There are

really no words available in Webster's Dictionary to describe how wonderful these two are. Yes we all know that Oscar handles the scheduling, planning, coordinating, accounts receivables, accounts payables, membership, club events, the trophies, the club bank accounts, ;and the list definitely goes on and on. Do you all know that while Oscar is doing all of these constant activities ,and managing and running our club, for the enjoyment for all of us, not them, Marcia is right there by his side, I've witnessed it time and time again. Thank you Oscar and Marcia for everything you do, and have done for our club, you both are truly very special friends.

Fellow club members, you now have a new President. All good things do not have to come to an end. Mr. Jeff Luxenberg, is a great human

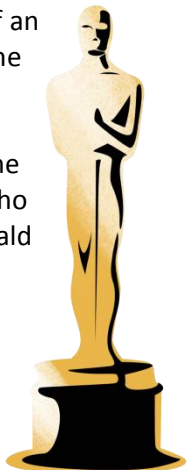

**It's been a Good Year**

being, husband, and friend. I know he will do just as good a job of President as I did, If not better. He knows that I will always be available for him, to assist him and our club anytime, anywhere, as well as for all of you fellow club members always. I'm a phone call away. I will also be involved in all club events as always, assisting Oscar for whatever is needed. I had a good, long, run as President of this great club. I had a lot of fun. My favorite of all, was that I actually had my 15 minutes of fame I actually volunteered (got suckered) to perform on stage, at the Jungle Queen River boat excursion. They dressed me up as a clown. I not only

had to juggle, but serenade to my lovely wife in front of almost 200 people. Some have said that my performance was worthy of an Oscar. When I heard that I said, I don't need another Oscar. I already have the best one, Oscar Castro.!!!!!!!

Friends, I wish you all a very happy, healthy 2023. Thank you all for allowing me the privilege to serve as your Club President. It was a great experience. Who knows what the future holds, maybe I'll run for President in 2024 like Donald Trump.!!!

Be well my T -Bird family,
