Remember that this Bi-Monthly Newsletter goes to press the 15th of February, April, June, August, October, and December. Our News magazine has lots of useful information, including upcoming Car Shows and Cruise-ins, Club contact information and technical articles. From time to time information becomes outdated. If you see an error, please let us know

Our purpose is to inform our membership about, club meetings, club activities, Classic Car events and articles of interest to Ford Thunderbird owners. Editor's Message

Greetings Classic Thunderbird Club Members!

Happy Independence day! A wonderful Holiday celebration was had at Castro Ranch in the Redlands. Everyone had a great time and members brought their cars for all to enjoy, even though most do not have air conditioning and it was a hot one. Speaking of hot ones, we like the rest of the country, are not being spared from the heatwave. Usually, we get the cooling ocean breezes that mitigate the high temps, but our water temperature is now 93* F which only adds to the humidity so most days feel like 110*+ and we get no relief. So much for the Meteorology course I took in Collage back "in -the -day" (the year Cambridge was founded)!

So, no meeting in August, next meeting will be on September 13. Happy Birthday to 2 former Club Presidents and a First Lady in August!

Enjoy your Summer! We will be going to Dearborn for the Thunderbird Reunion (see the Flyer in this Issue). We hope to see some fellow CTCSF members there too! We will also re-visit the Gilmore Museum out by Kalamazoo. Probably going to the fabulous Michigan Wine country nearby. A prior family commitment will prevent us from attending the CTCI Regional at the Villages, I already wish I could send my "Clone", I am sure it will be "Party-Village's Style!

We will also miss Lake Mirror Car Show & Concours 'd Elegance which this year promises to be outstanding with Cars from the GM Motorama Tours including The Parade of Progress Van, which we saw fresh from restoration at Amelia Island Concours 6 or 7 years ago. Bill Warner of Amelia Island Concours fame will be the Grand Marshal! I am sure our members who are going will have a great time.

Don't forget to support the advertisers that support us!

Happy Birding,
Ed Raabe

ABOUT THE CLUB

We are a social group of dedicated individuals with interest in ownership and enjoyment of Ford Thunderbird cars and of all Antique Automobiles. We meet each month for dinner, car shows and activities with our membership from West Palm Beach to the Florida Keys. Our club is family oriented in its activities and sponsors a scholarship fund for [McPherson College](#) (The only accredited university in the United States with a major in Automobile Restoration). Our aim is to bring together owners and non-owners of the Thunderbird in a social activity to encourage and promote the admiration, care and maintenance of the "Classic Thunderbirds"; and Antique Cars in general. We hope to provide an outlet for people to discover the uniqueness of the features and styling of the Ford Thunderbirds and exchange knowledge with each other about them and other Antique Automobiles.

Classic Thunderbird Club International

CTCI

We encourage New Club Members to join CTCI (www.ctci.org) as soon as possible and Current Members, to keep your CTCI membership up to date.

Felipe Cos founded our CTCI Chapter, #114 for South Florida in November 1998. Since then our club has hosted a CTCI International Convention in 2004 and grown to include over 50-member families.

Look at the benefits of membership. A lot of members have saved a lot of time and money by visiting Gil's Garage, hosted by Gil Baumgartner CTCI Authenticity Chairman and 'Thunderbird Guru'. The Early Bird Club magazine is full of great articles and Club stories!

MEMBERSHIP

Membership in CTCI is composed of people from all walks of life who are interested in the design and artistic merits of the Classic 1955, 1956 and 1957 Ford Thunderbird. Unlike ordinary pieces of art, automobiles are also functional and ownership can bring personal satisfaction over a broad spectrum of experiences.

Whether you purchased the car to restore, show or just to drive, the camaraderie of association with other people with the same interests is a great experience. CTCI can assist our members derive greater satisfaction from the cars within their particular area of interest.

Ford called the T-Bird "The personal" car and it really is, because there are many ways to enjoy it aside from just looking at it. Very careful and critical "looking at it" is called a "Concours" (car show) and some of our members enjoy that part of it. Others enjoy the "restoration" process, making a beautiful car out of a derelict. Still others enjoy operating and maintaining the car so that they can safely use the car on tours and other social outings. Some of our members are interested in "Resto-rods". This is a car that looks completely "Stock" on the outside but has a completely modern drive train installed.

To others, they enjoy the look and feel of a truly unique car of the 50's. CTCI is an organization that has grown because of the interest in the cars—and the friendships that develop keep bringing our members together. Whatever your personal interest in Thunderbirds is, CTCI is here to help you realize that goal. Click [MEMBERSHIP](#) to Become a Member Today!

ITC The International Thunderbird Club

The Classic Thunderbird Club of South Florida is a Chapter Member of the Classic Thunderbird Club International (CTCI) and of the International Thunderbird Club (ITC).

We are proud to be associated with these two fine organizations! Between them, they provide a vast selection of resources to help you with your early birds and all the ones after!

Plan to attend one of their Annual Conventions!

New Members, please join these Great Clubs!

The International Thunderbird Club (ITC) is open to all 1955 to 2005 Thunderbird owners and enthusiasts along with other T-Bird club organizations. Numerous ITC members, including me, belong to CTCI and VTCI.

ITC encourages all clubs to join the other clubs to help support the Thunderbird, share ideas, T-Birds, and technical advice. ITC has one of the largest Thunderbird Facebook pages in the world with over 4,400 T-Bird Facebook members posting daily from around the world.

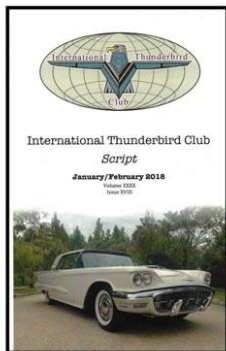

Numerous CTCI and VTCI chapters have joined ITC. Last year the ITC/VTCI chapter, Hoosier Vintage Thunderbird Club, hosted the ITC chapter. This year the convention will be hosted by ITC/CTCI chapter Buffalo Thunderbird Club. ITC/CTCI chapter Pitt Birds Thunderbird Club has stated that they are happy with the support ITC's provides them. ITC/VTCI Water Wonderland Thunderbird Club from Michigan has stated they are also pleased with ITC's support and never have received support from VTCI.

ITC is very proud of the number of clubs that have joined ITC. Recently three new chapters have joined ITC La Louisiane Thunderbird Club, Louisiana; Classic Thunderbird Club of Central Ohio; and Central Alabama Thunderbird Club with a few more chapters being they have organized.

ITC (International Thunderbird Club)

The benefit of becoming an ITC chapter is the additional exposure to the T-Bird world. Chapters have stated, grown as a result of their ITC relationship. ITC promotes its chapters by listing their major events in the ITC Script magazine and on the ITC website. ITC also promotes chapters events and members on ITC Facebook. ITC has Technical Advisors for all T-Birds, Marvin Hill, Hill Automotive, is one of the technical advisors for the 1955-57 T-Bird. Steven Legal is Technical Advisor for the 20-05 Retro Birds.

ITC is sponsored by most of the Thunderbird vendors including Thunderbird Specialists for 2002-05 Retro-birds.

There is no charge to become an ITC chapter. Three ITC members are required for approval with a total of six by the end of the year. If you are not satisfied with being an ITC chapter, you can simply request to end the chapter relationship.

As president of the International Thunderbird Club, I encourage some of your members to join ITC and become an ITC chapter. Feel free to email or call me anytime if you have any questions.

President's Message

July - August 2023

Greetings and Salutations Fellow Club Members,

I hope this President's letter finds everyone in good health, and ready to finish the year off strong. It's hard to believe we are now in the second half of the year!

In May we joined for our annual Brunch at 94th Aero Squadron Restaurant in Miami. All you can eat buffets are never bad!!!! It was a great way to spend a Sunday.

Our annual July 4th BBQ was hosted by Marcia and Oscar, Great food and lots of fun. What a great day, and many thanks to Marcia and Oscar, Great Job.

In July many of the club members, Attended an AACA car show at Galuppi's Restaurant, in Pompano. The show had a great turnout of 150 cars. This was a free event and with a great turnout, the rain wasn't able to spoil event.

In August we have the International Thunderbird Club (ITC) Reunion at the Ford Headquarters in Dearborn Michigan. Ed, Arlene, Steve, and Myrna will be attending.

The next Event is a Road Trip to Lakeland for the Lake Mirror Car Show. That trip will be happening the weekend of October 20 thru the 22. I am not sure if rooms are still available. If you are interested, I suggest you contact Oscar for that information.

There is another event in October and that event is the CTCL annual meeting. This event is located in the villages in Northern Florida. The dates for the event are October 24, to October 29. The Brownwood Hotel is the recommended hotel if you are planning on attending.

And as always we will end the year with our Lavish Holiday Party. I hope to see everyone at our next Monthly meeting.

Be well my T-Bird family,

RESCHEDULED FOR JANUARY 28, 2024

All of us here are the Classic Thunderbird Club of South Florida sincerely Thank You and appreciate your support and the support we have received from the car community by attending our OPEN car show (all Years, Makes and Models) for the past 21 years! Unfortunately, there was a change of ownership in the FARA organization, which gave us the access to the track. The new owners still have not responded to our multiple efforts to contact them and without their OK, we cannot use the track for the show. Since we have only 20 days left to plan, advertise and pull the show together, a decision was just made to postpone the show until next year, which will give us time to find another venue by the scheduled show date of Sunday January 28, 2024. It won't be easy to find a spot large enough to fit the 200 plus cars we get every year, but we are certainly going to try and we hope that when we do, you will be there to support us at the new location!
