Editor's Message

Cheers Club Members!

Finally, the summer is over, but not without some lingering Tropical storms to remind us of where we are living!

Since our last newsletter Arlene & I have traveled to Michigan for the Thunderbird Reunion as Ambassadors for the Classic Thunderbird Club of South Florida, a ITC & CTCI Chapter Club. Steve and Myrna Wishnick from Port Charlotte attended driving their Princess of Monaco Edition Thunderbird up from Florida! We all had a great time meeting club members from all over the country. The Thunderbird stories were never-ending. Bart Bartasavich did an outstanding job bringing members and officials from the major Thunderbird Clubs together for this event. It was our pleasure to meet and mingle with Bart and Vera Bartasavich in person as well as Brian Carron, CTCI President, Bob Sinickas, Thunderbird Nest and Dr Steve Legel ITC.

Our exciting news is the purchase of a pristine 2005 Bronze 50th Anniversary T-Bird while we were in Michigan. This 48K mile car was lovingly owned by a Ford Mo Co executive for 16 years and then 2 years with the man we bought it from. All its life well cared for and serviced regularly. It's a joy to drive!

Upcoming is the Lake Mirror Concours and Show Oct 20-22 and then the CTCI Regional Convention in the Villages, Oct 24-29. Unfortunately, we will be out of town during both events, but I am sure some club member will give us a nice report for the Nov-Dec Issue.....

Congratulations to Jeff Luxenberg and the rest of our board for being nominated as President and members! Additional nominations will be accepted during our November 8th meeting, followed by a vote.

Jeff was mentioned a few times to me in Michigan by Brian Carron, so he recognized by the CTCI hierarchy for his accomplishments as our Club President. Please check out "What's Happening by Jeff" a new feature, for other Car Club "happenings" in the area.

We hope to attend our November Club meeting and of course planning for the Holiday Dinner at Tropical Acres on December 16th.

Don't forget to support the advertisers that support us!
Happy Birding,

Ed Raabe

ABOUT THE CLUB

We are a social group of dedicated individuals with interest in ownership and enjoyment of Ford Thunderbird cars and of all Antique Automobiles. We meet each month for dinner, car shows and activities with our membership from West Palm Beach to the Florida Keys. Our club is family oriented in its activities and sponsors a scholarship fund for [McPherson College](#) (The only accredited university in the United States with a major in Automobile Restoration). Our aim is to bring together owners and non-owners of the Thunderbird in a social activity to encourage and promote the admiration, care and maintenance of the "Classic Thunderbirds"; and Antique Cars in general. We hope to provide an outlet for people to discover the uniqueness of the features and styling of the Ford Thunderbirds and exchange knowledge with each other about them and other Antique Automobiles.

Classic Thunderbird Club International

CTCI

We encourage New Club Members to join CTCI (www.ctci.org) as soon as possible and Current Members, to keep your CTCI membership up to date.

Felipe Cos founded our CTCI Chapter, #114 for South Florida in November 1998. Since then our club has hosted a CTCI International Convention in 2004 and grown to include over 50-member families.

Look at the benefits of membership. A lot of members have saved a lot of time and money by visiting Gil's Garage, hosted by Gil Baumgartner CTCI Authenticity Chairman and 'Thunderbird Guru'. The Early Bird Club magazine is full of great articles and Club stories!

MEMBERSHIP

Membership in CTCI is composed of people from all walks of life who are interested in the design and artistic merits of the Classic 1955, 1956 and 1957 Ford Thunderbird. Unlike ordinary pieces of art, automobiles are also functional and ownership can bring personal satisfaction over a broad spectrum of experiences.

Whether you purchased the car to restore, show or just to drive, the camaraderie of association with other people with the same interests is a great experience. CTCI can assist our members derive greater satisfaction from the cars within their particular area of interest.

Ford called the T-Bird "The personal" car and it really is, because there are many ways to enjoy it aside from just looking at it. Very careful and critical "looking at it" is called a "Concours" (car show) and some of our members enjoy that part of it. Others enjoy the "restoration" process, making a beautiful car out of a derelict. Still others enjoy operating and maintaining the car so that they can safely use the car on tours and other social outings. Some of our members are interested in "Resto-rods". This is a car that looks completely "Stock" on the outside but has a completely modern drive train installed.

To others, they enjoy the look and feel of a truly unique car of the 50's. CTCI is an organization that has grown because of the interest in the cars—and the friendships that develop keep bringing our members together. Whatever your personal interest in Thunderbirds is, CTCI is here to help you realize that goal. Click [MEMBERSHIP](#) to Become a Member Today!

ITC The International Thunderbird Club

The Classic Thunderbird Club of South Florida is a Chapter Member of the Classic Thunderbird Club International (CTCI) and of the International Thunderbird Club (ITC).

We are proud to be associated with these two fine organizations! Between them, they provide a vast selection of resources to help you with your early birds and all the ones after!

Plan to attend one of their Annual Conventions!

New Members, please join these Great Clubs!

The International Thunderbird Club (ITC) is open to all 1955 to 2005 Thunderbird owners and enthusiasts along with other T-Bird club organizations. Numerous ITC members, including me, belong to CTCI and VTCl.

ITC encourages all clubs to join the other clubs to help support the Thunderbird, share ideas, T-Birds, and technical advice. ITC has one of the largest Thunderbird Facebook pages in the world with over 4,400 T-Bird Facebook members posting daily from around the world.

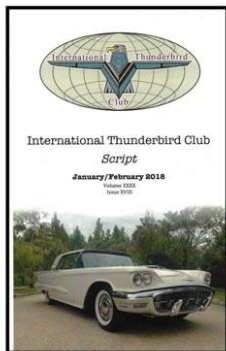

Numerous CTCI and VTCl chapters have joined ITC. Last year the ITC/VTCl chapter, Hoosier Vintage Thunderbird Club, hosted the ITC chapter. This year the convention will be hosted by ITC/CTCI chapter Buffalo Thunderbird Club. ITC/CTCI chapter Pitt Birds Thunderbird Club has stated that they are happy with the support ITC's provides them. ITC/VTCl Water Wonderland Thunderbird Club from Michigan has stated they are also pleased with ITC's support and never have received support from VTCl.

ITC is very proud of the number of clubs that have joined ITC. Recently three new chapters have joined ITC La Louisiane Thunderbird Club, Louisiana; Classic Thunderbird Club of Central Ohio; and Central Alabama Thunderbird Club with a few more chapters being they have organized.

ITC (International Thunderbird Club)

The benefit of becoming an ITC chapter is the additional exposure to the T-Bird world. Chapters have stated, grown as a result of their ITC relationship. ITC promotes its chapters by listing their major events in the ITC Script magazine and on the ITC website. ITC also promotes chapters events and members on ITC Facebook. ITC has Technical Advisors for all T-Birds, Marvin Hill, Hill Automotive, is one of the technical advisors for the 1955-57 T-Bird. Steven Legal is Technical Advisor for the 20-05 Retro Birds.

ITC is sponsored by most of the Thunderbird vendors including Thunderbird Specialists for 2002-05 Retro-birds.

There is no charge to become an ITC chapter. Three ITC members are required for approval with a total of six by the end of the year. If you are not satisfied with being an ITC chapter, you can simply request to end the chapter relationship.

As president of the International Thunderbird Club, I encourage some of your members to join ITC and become an ITC chapter. Feel free to email or call me anytime if you have any questions.

Our Visit to New England

By Oscar & Marcia Castro

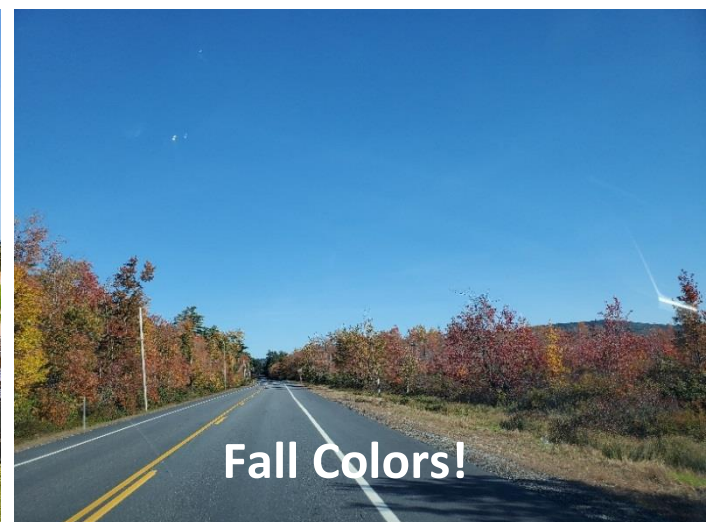

Early this Fall, we travelled to New Ipswich, New Hampshire, to attend the weddings of our two oldest Grandsons, each within three weeks of each other. New Ipswich is a rural town, where the “WELCOME TO” and “THANK YOU FOR VISITING” are on either side of the same sign! The population density is 163 persons per square mile of land area, LOTS of green spaces, mountains, rivers, streams, beautiful rural setting!

While driving around and admiring the (BEAUTIFUL) scenery, we also went Bird Watching!

Other interesting things we encountered on our driveabouts (it's like a walkabout, but with cars)!

A New Addition to Our Thunderbird Family

By Ed Raabe

This is my new 2005 bronze retro bird! I acquired it while I was up in Michigan for the Thunderbird Reunion at the Ford Headquarters! Just had it delivered! It's a premium with the light sand package which means it's got sand, colored seats and convertible top. It's a nice "warm" car to go cruising around in the frigid evening weather of the Tamp Bay area!

President's Message

September - October 2023

Greetings and Salutations Fellow Club Members,

It is exciting we are in the fall season with a Car Show on almost every weekend!

Our trip to Lake Mirror was a great success. We had 14 people attend. The Lake Mirror Venue is beautiful, and the weather was perfect. The cars shown in the show were some of the most prestigious in Florida if not the nation. Every time I passed a car, there always of bunch of people admiring it.

One of the cool exhibits at the show, were the Amphibian Cars, the owners even drove their cars on the road and in the Lake.

Our Monthly meetings are the 2nd Wednesday of the month, located at Trattoria Pampered Chef Miami. Now that the summer heat has passed hopefully we will see increased participation in our meetings.

During our next meeting on November 8th, we will be holding the Election for Board members. By this time, you should have received a copy of the latest slate. If you have someone that is not already on the slate and you would like to nominate that person, don't miss the next meeting where we will accept additional nominations and then proceed with a vote.

Don't forget November 5, we turn the clocks back 1 hour.

And as always we will end the year with our Lavish Holiday Party. I hope to see everyone at our next Monthly meeting.

Be well my T -Bird family,

Jeff Luxenberg

Dear Thunderbird Club Annual Open Car Show Supporter,

We extend our heartfelt gratitude to all of our supporters who have been part of our car show journey over the past 23 years. It is with mixed emotions that we announce our 2024 edition has been cancelled (hopefully it's only postponed).

From the early years when our car show was just a vision in Felipe's imagination, to the grand spectacle it has become today, your support has been a constant source of inspiration. Your commitment to our cause has not only helped us grow but has also played a significant role in fostering a sense of community among car enthusiasts.

As we reflect on the incredible memories of our car show over the past 23 years, we are overwhelmed with gratitude for your unwavering support. Your dedication, enthusiasm, and generosity have been the driving force behind our event's success. We couldn't have achieved this milestone without your unwavering commitment. Whether you were an exhibitor, sponsor, a volunteer, or simply an attendee, your presence has enriched our show year after year and has been instrumental in making each edition a resounding success. We cannot thank you enough for the impact you have made, the memories we have created together, the camaraderie we have shared, and the passion for automobiles that binds us all. It has all been enriched by your presence. The friendships forged, the memories created, and the funds raised for our charitable causes will forever hold a special place in our hearts.

As we bid farewell to this cherished tradition (hopefully only for 2024), we want you to know that your contributions have made a lasting impact. Thank you for 23 years of unwavering support. Here's to many more years of revving engines, gleaming chrome, and shared enthusiasm.

With heartfelt thanks,
The Members of the Classic Thunderbird Club of South Florida
